

MARC DARENZ MASARATE

JUNIOR DRAFTER | CIVIL CONSTRUCTION DESIGN

Melton, VIC 3337 | 0478 764 077 | macdarenz@gmail.com

PROFESSIONAL PROFILE

Civil engineering graduate with an Australian Advanced Diploma of Civil Construction Design, academic experience preparing technical drawings in AutoCAD and Civil 3D, and practical construction experience in site inspection, drawing review and documentation. Careful with records and technical details, comfortable communicating on site, and willing to learn Chempro's planogramming system. Based in Melton, Victoria and open to discussing relocation to the Gold Coast.

RELEVANT CAPABILITIES

Drafting and documentation	Academic AutoCAD 2D/3D, Civil 3D and Revit; preparation and review of technical drawings and civil documentation.
Site work and accuracy	Construction site inspections, drawing checks, quality monitoring, issue identification and accurate progress records.
Communication and organisation	Experience coordinating with clients, engineers, subcontractors, suppliers and site personnel; organised and comfortable working independently.

RELEVANT EXPERIENCE

PROJECT-IN-CHARGE ENGINEER (ENTRY LEVEL)

JustBuilt, Philippines | April 2019 - September 2019

- Reviewed structural and architectural drawings and checked work against project requirements.
- Conducted site inspections, safety checks and quality monitoring, escalating issues requiring clarification or corrective action.
- Coordinated daily activities of 10-15 workers, communicated priorities and monitored progress.
- Communicated with clients and project stakeholders and maintained clear progress updates.

FIELD ENGINEER

Grand Travaux, Philippines | September 2019 - February 2020

- Assisted with site inspections, daily construction coordination and quality checks for residential subdivision finishing works.
- Tracked procurement and materials and prepared site reports, material records and progress documentation.
- Coordinated with engineers, subcontractors and suppliers to resolve site issues and maintain continuity of work.

TECHNICAL SUPPORT REPRESENTATIVE - MICROSOFT SOFTWARE

Concentrix, Philippines | March 2020 - April 2022

- Resolved technical cases through structured troubleshooting and accurate case documentation.
- Explained technical information clearly to customers and coordinated with internal teams.

MARC DARENZ MASARATE

JUNIOR DRAFTER | CIVIL CONSTRUCTION DESIGN

EDUCATION AND DESIGN PROJECTS

ADVANCED DIPLOMA OF CIVIL CONSTRUCTION DESIGN

Albright Institute of Business and Language, Australia | December 2024 - February 2026

- Completed civil design and documentation work covering road geometry, earthworks, pavement systems, stormwater drainage and infrastructure design principles.
- Prepared and reviewed technical drawings using AutoCAD and Civil 3D while applying Australian Standards and construction requirements.
- Developed practical understanding of design coordination, constructability, technical reporting and civil works documentation.
- Applied DBYD procedures and considered existing services and site constraints when developing civil design solutions.

BACHELOR OF SCIENCE IN CIVIL ENGINEERING

Divine Word College of Legazpi, Philippines | 2014 - 2019

- Built a broad technical foundation in civil engineering design, construction methods, structural principles, hydraulics, surveying and project delivery.

SOFTWARE

AutoCAD 2D/3D | Civil 3D | Revit | Microsoft Office | Google Workspace

LICENCES AND WORK ELIGIBILITY

- Australian driver's licence and own reliable transport
- White Card (Construction Induction) and Working with Children Check
- Subclass 485 visa - full working rights until December 2027
- Available for site, office and regional project work

PROFESSIONAL STRENGTHS

Strong attention to detail | Clear communicator | Organised and dependable | Practical problem-solver | Comfortable working independently and collaboratively | Open to training and mentoring
